Conservation presents:

# RULE BREAKERS

A non-scary Halloween Hike

This year's theme is all about species that break the rules! Science teaches certain rules to determine what makes something a plant and if an animal is a reptile, bird, mammal, fish, or amphibian. Trek down the trail and meet some interesting species. Afterwards, you can enjoy a craft and a snack in the nature center.

Monday,  
October 21, 2019.  
6:30-8:00p.m.  
Hikes go out  
every 10 minutes.
